SUSTAINABLE UTILITIES FOR A BETTER TOMORROW

Crooksville – Pump Stations

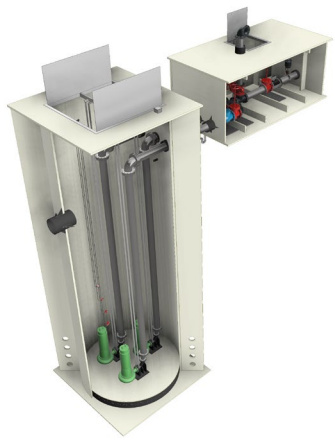

Village of Crooksville, OH

OWNER

Village of Crooksville

PROJECT DESCRIPTION

In the Village of Crooksville, OH, two aging lift stations—critical to the community’s wastewater collection system—are being replaced to ensure continued reliability. Located in Perry County’s Harrison Township, the project addresses equipment nearing the end of its service life. EveraFLO packaged lift station solution offer long-term durability and streamlined installation to support the Village’s infrastructure renewal efforts.

INSTALLATION DATE:

May 2025
