SUSTAINABLE UTILITIES FOR A BETTER TOMORROW

Greenfield Township – Pump Stations

Lackawanna County, PA

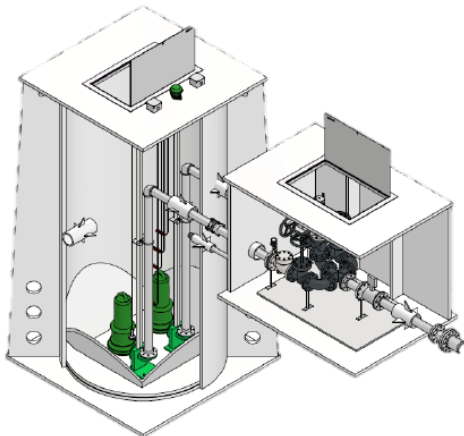

OWNER

Greenfield Township

Sewer Authority

PROJECT DESCRIPTION

The Route 106 and Route 247 stations were at the end of their service life and critical to the reliability of the township’s wastewater system. Our turnkey, factory-built solutions ensured fast installation, reduced on-site construction time, and long-term durability. The completed project reflects a cost-effective, low-disruption approach to modernizing essential public infrastructure.
